In thy halls we found our freedom
The best we can be shaped in thee
Though the world

A screenshot of a web browser displaying the homepage of the Australian Intercultural School. The header features a yellow bar with the school's crest on the left and a navigation menu with links to Home, School Profile, School Program, Gallery, News, Contact, and About Us. Below the header, a text box states: "Australian Curriculum AIS is the first and the only school in Sultan that offers the Western Australian Curriculum and Assessment Outline (K to Year 10). It has been designed to meet the specific needs of students in schools using the Western Australian curriculum." To the right of this text is a large circular graphic containing the school's crest and name. Below the main content area is a section titled "School Curriculum and Standards Authority" with a brief description of its moderation process. At the bottom right is a circular logo for SCSA (School Curriculum and Standards Authority) featuring a stylized tree and the acronym.
